Sir:

U.S. Patent Application No. 10/598,953 was published on November 6, 2008 as U.S. Patent Publication No. US-2008-0274953-A1. This publication contains a material mistake caused by the U.S. Patent and Trademark Office which is apparent based upon a comparison of the as-filed application documents and the published application. Specifically, the material error is the inclusion of twenty-six (26) sheets of unrelated drawings in the published application which are not part of the patent application.

The Applicants hereby request republication of U.S. Application No. 10/598,953 under 37 C.F.R. §1.221(b). This request is filed within two months from the date of the patent application publication. No new matter is added. Although no fees are believed necessary, please charge any deficiencies or credit any overpayments to Deposit Account No. 50-0951.

Respectfully submitted,

Date: 12-30-08
